TO WHOM IT MAY CONCERN

The undersigned recently participated in the Mediation of a complex product liability case in front of Mediator Steven Rosenberg. The matter involved a debilitating and permanent personal injury claim and the parties presented at Mediation in excess of \$ 3.5 million dollars apart.

Mr. Rosenberg performed an extremely capable job of defusing personal animosity between both the party plaintiff and the corporate defendant in this matter, as well as between counsel representing each.

At the end of a very long day of mediation, Mr. Rosenberg was able to complete a settlement that none of the parties participating would have thought possible. I would highly recommend Mr. Rosenberg as a mediator in any type of dispute resolution process that your clients might require.

Please feel free to contact me at the above-referenced number should you have any further questions concerning Mr. Rosenberg's capabilities or skills.

Very truly yours,

MICHAEL L. KELLY
