Re: Mediation of Weiss and Lutge
Marin Superior Court Case No. CV-000808

Dear Mr. Rosenberg:

Thank you for serving as mediator in this case. As I am sure you recall the personal animosity between Mr. Lutge and Mr. Weiss made resolution of this case difficult. However, your patience with both parties allowed them to reach an agreement which was in their best interest, despite that animosity. I should like to acknowledge your skill and assiduous work in this matter. I am particularly pleased that this case settled.

Thank you for your assistance.

Very truly yours,

BRODSKY, BASKIN & MILLER, INC.
